Target: 14-17. Friday evening, grind begins.

Checkpoints: Hall of Thanes first clear, Cure Poison trip.

- ☐ Hall of Thanes first clear (13-18, Ironforge) - offer heal first, tank if no tank
- ☐ Darnassus trip: Cure Poison quest line (~14). Skyborne chain was bugged in beta - if Power Over Poison doesn't trigger, note it and move on
- ☐ Keep Feral Combat weapon skill current (train 2H Mace at Ironforge)

Remember: dungeon quest XP is ~3x Classic; one first clear is about a free level. Second clears are worthless.

Source: gameplan repo, data build 1.60.1.70124, published 2026-10-01. Beta numbers are provisional until launch.
