Target: 26-30. PTO begins, all day.

Checkpoints: City of Dalaran first clear.

- ☐ City of Dalaran first clear (28-33 per table, 20-35 per guide - either way you live in Dalaran)
- ☐ Start Scarlet Monastery if the group forms
- ☐ Rested XP: log out at a campsite with a Camp Tent (anyone's)

Remember: rested XP discipline starts now. 5% of a level per logout cycle adds up over a PTO week.

Source: gameplan repo, data build 1.60.1.70124, published 2026-10-01. Beta numbers are provisional until launch.
