

2026-11-11

Target: 34-38. Full day.

Checkpoints: Drowned City first clear.

- ☐ Drowned City first clear (35-40, STV coast)
- ☐ Razorfen Kraul first clear (30-40)
- ☐ Riverglades quests in between groups
- ☐ Herb on every run - flask herbs are the week-2 income

Remember: pug etiquette - offer heal first, stay caster when heals aren't needed (shapeshifting costs are high in heal gear), FF + Moonfire instead of cat-weaving.
